

<b>100282-ELE-MO-E-1999</b> <b>Electrical Operation &amp; Maintenance Engineer</b>
---

Holds a B. Sc. in Electrical Systems Engineering and has about 11 years hands-on experience in operation and maintenance of HV/MW networks.

## PERSONAL DATA

Nationality : Egyptian  
Birth Date : 04/04/1976  
Gender : Male  
Marital Status : Married  
Residence : Beni Suef

## EDUCATION

: B. Sc. in Electrical Systems Engineering, Al-Azhar University, 1999

## LANGUAGES

Arabic : Native Language  
English : Very Good

## COMPUTER SKILLS

: Windows, MS Office (Word, Excel, Access, Power Point), Internet  
: AutoCAD, Photoshop  
: CCNA, MCSE, Linux  
: Router Programming (IOS) CISCO, Networks Designer programs (Packet Tracer)

## TRAINING COURSES AND CERTIFICATIONS

: IT Professional Training Program by IBM Egypt & Ministry of Communication (900 hours).  
: CIW410 Certification.  
: CIW430 Certification.  
: Digital Energy Meters.  
: DIALUX program (lighting system calculations) & ETAP program (voltage drop, short current and power system calculations).  
: Design, Installations and Maintenance of Computer Networks Router Programming (IOS) CISCO.  
: Networks Designer programs (Packet Tracer).

## CHRONOLOGICAL EXPERIENCE RECORD

**Dates** : From 2008 till now  
**Employer** : Middle Egypt Electrical Distribution Company  
**Project** : Networks Medium & Low Voltage for Beni Suef City  
**Job title** : Operation & Maintenance Engineer  
**Job Description** :

- Electrical Installation & Operation and Maintenance Engineer for the HV & LV Equipments & Overhead Lines and Underground Cables.
- Responsible for Installation & Operations and Maintenance medium voltage distribution panel (11KV) in city (7 distributions panels).
- Supervision of establishing electricity supplying to Hospitals, Towers, Hotels, Factory, etc.
- Supervision of establishing electricity supplying to the buildings of faculty of pharmacy, faculty of medicine, ministry of education branch of Beni Suef City.
- Responsible for establish project of SCADA System for medium voltage distribution panel.
- Responsible for development of electrical power systems.
- Responsible for establishing project of Automation Meter Reading for Meter (AMR) of houses of city.
- Planning and execute the annual maintenance plans for transformers & distribution panels.
- Preparing the monthly reports of operating & maintenance works and loads measuring to be sent to the supreme management.

**Dates** : From 2006 till 2008  
**Employer** : Aljezeera International Academy, Riyadh – KSA  
**Job title** : Trainer for Electrical and Computer Networks

**Dates** : From 2000 till 2006
