

Holds a B. Sc. in Electrical Power Engineering and is looking to gain experience in his field of education.

## **PERSONAL DATA**

Nationality : Egyptian  
Gender : Male  
Residence : Giza, Cairo

## **EDUCATION**

: B. Sc. in Electrical Power Engineering, Aswan University, 2019

## **LANGUAGES**

Arabic : Native Language  
English : Fluent

## **COMPUTER SKILLS**

: Windows, MS Office, Internet  
: Dialux  
: Circuit wizard  
: Matlab  
: Relux  
: C, C++  
: AutoCAD  
: Arduino  
: ETAP  
: Proteus

## **TRAINING COURSES AND CERTIFICATIONS**

: Control of Electro Hydraulic circuits, Hydro Plant Generation Company Training Center (Feb. 2017).  
: Programmable logic control (PLC), Creative Group courses (Jul. 2018).  
: English language conversation (16H), Royal Academy training & language (Sep. 2017).  
: Power system Distribution (72H), Jelecom Egypt Training Center (Jul./Aug. 2018).

- : Trainings at:
- Transformer Station (2017).
  - Hydro Power Plant Generation Company (2018).
  - Renewable Energy Authority (Jul./Aug. 2018).
  - Diesel Power Plant Generation.
  - Smart Home Technology.
  - Workshop at Impact of Smart Grid on society, Aswan University (Apr. 2019).
