

Has about 30 years' experience working in construction and maintenance.

PERSONAL DATA

Nationality : Egyptian
Birth Date : 07/06/1972
Gender : Male
Residence : El-Tebeen, Cairo

EDUCATION

: Industrial School, 1990

LANGUAGES

Arabic : Native Language
English : Good

COMPUTER SKILLS

: Windows, MS Office, Internet

CHRONOLOGICAL EXPERIENCE RECORD

Dates : From Jan. 2024 till now
Employer : Korra Energi
Project : Establishing a power generation station in Helwan Cement with a capacity of 20MW
Job title : Supervisor

Dates : From 2021 till Dec. 2023
Employer : Triple M for electrical supplies and maintenance
Job title : General Supervisor of the Electrical Maintenance Dept.
Job Description :

- Low Voltage Equipment Control Centers (MCC).
- Low voltage motors and their starting method.
- Medium voltage motors with a capacity of (8.5MW) and the way they start.
- Medium voltage circuit breakers (11) kilowatts and their control panel.
- Electrical transformers (2.5MW).
- Maintenance of medium voltage distributors up to (11) KV.
- Maintenance of medium voltage motors with a capacity of (8.5MW) and the method of starting them.

- Generator maintenance (25) mega capacity.
- Power factor board maintenance.
- Maintenance of transistors up to (500KV).
- Dealing with electrical measuring and protection devices.

Dates : From 2020 till 2021
Employer : Icon Electrical Contracting and Maintenance
Job title : General Supervisor of the Electrical Maintenance Dept.

Dates : From 2017 till 2019
Employer : Sinoma Chinese Co.
Project : National Cement Beni Suef
Job title : General Supervisor of the Electrical Maintenance Dept.
Job Description :

- Low Voltage Equipment Control Centers (MCC).
- Low voltage motors and their starting method.
- Medium voltage motors with a capacity of (8.5MW) and the way they start.
- Medium voltage circuit breakers (11) kilowatts and their control panel.
- Electrical transformers (2.5MW).
- Dealing with water purification and treatment plants.
- Dealing with air compressors (air compressors).
- Dealing with soft start circuits & ATS circuits.

Dates : From 2004 till 2016
Employer : ASIC for Automatic Control (Auto Mission)
Project : Helwan Cement Project
Job title : Electrical Maintenance Department Supervisor
Job Description : One of the team members responsible for maintaining electrical equipment as well as solving daily site problems. I deal with:

- Low Voltage Equipment Control Centers (MCC).
- Low voltage motors and their starting method.
- Medium voltage motors with a capacity of (4.6MW) and the way they start.
- Medium voltage circuit breakers (62) kilowatts and their control panel.
- Electrical transformers (15) mega.
- Lighting (maintenance and installations).
- Air systems and compressors.
- DC Drives (motors & panels).
- AC Drives (motors & panels).

Dates : From 2001 till 2003
Employer : ASEC
Project : Helwan Cement
Job title : Electrical Technician (shift)
Job Description : One of the team members responsible for maintaining electrical equipment as well as solving daily site problems. I deal with:

- Low Voltage Equipment Control Centers (MCC).

- Low voltage motors and their starting method.
- Medium voltage motors with a capacity of (4.6MW) and their starting method.
- Medium voltage circuit breakers (6.3KV) and its control panel.
- Electrical transformers.
- Lighting (maintenance and installations).
- Air systems and compressors.

Dates : From 1995 till 2000
Employer : Aresco Installations
Job title : Electrical Maintenance Technician
Job Description :

- One of the team members responsible for electrical installations as well as maintenance of electrical equipment.
- I deal with motors and electrical panels.
