

Holds a B. Sc. in Mechanical Power Engineering and has over 7 years hands-on experience, including 5 years working in construction, technical office, inspection and QA/QC piping.

PERSONAL DATA

Nationality : Egyptian
Birth Date : 06/01/1992
Gender : Male
Marital Status : Single
Residence : Giza, Cairo

EDUCATION

: B. Sc. in Mechanical Power Engineering, Higher Technological Institute - 10th of Ramadan, 2013

LANGUAGES

Arabic : Native Language
English : Good

COMPUTER SKILLS

: Windows, MS Office, Internet
: Visual Basic
: AutoCAD (2014 & 2015, 2D & 3D)

TRAINING COURSES AND CERTIFICATIONS

: Qualified and certified in Non-Destructive Testing in accordance with the American society for non-destructive testing (ASNT), KIT for Engineering Innovation, Cairo (2017).
: Attending and actively participating in one year programming course (Fusion 360) finished 8 HR, Creative Group, Cairo (2016).
: Attending and actively participating in one year programming course (Solid Works) finished 24 HR, Creative Group, Cairo (2016).
: Training at Goldi Plant for Refrigerators, Cairo – Egypt (May/Jun. 2013).
: Technology Competency Center, Cairo – Egypt (2012): Attending and actively participating in programming course (Basic Hydraulic), finished in one week.
: Engineering Academy, Cairo – Egypt (2012): Attending and actively participating in programming course (SCADA), course period 12 hrs.

- : Engineering Academy, Cairo – Egypt (2012): Attending and actively participating in programming course (PLC LEVEL ONE), course period 36 hrs.
- : Engineering Academy, Cairo – Egypt (2011): Attending and actively participating in programming course (Mastering AutoCAD 2011 2D & 3D), course period 60 hrs.
- : Training at Goldi Factory For Refrigerators, Cairo (May/Jun. 2013).
- : Training at North Cairo Power Station, Cairo – Egypt (from Jun. till Aug. 2012).
- : Training at Water Desalination Plant, Cairo – Egypt (from Jun. till Aug. 2011).
- : Training at Company Pumps Manufacturing, Cairo – Egypt (from Jun. till Aug. 2010).

CHRONOLOGICAL EXPERIENCE RECORD

Dates : From Mar. 2019 till now
Employer : Belayim Petroleum Company (PETROBEL)
Project : PETROBEL fields in South Sinai
Job title : Inspection Engineer
Job Description : Evaluated quality works in multidiscipline Offshore & Onshore projects in oil & gas fields, witness on petroleum marine services (PMS) in project F-10 Heli-Deck platform Barge 17 DP II and received and check integrity welding piping, pipeline and tanks from the sub-contractors companies (Petromaint, EMC, Petrojet) and material receiving and checking coils of the heaters at field by (UT) thickness survey with the inspector rina company and follow up with the setcore company inspection drilling wells, rig tube and sucker rods in field.

Dates : From Mar. 2018 till Oct. 2018
Employer : The Petroleum Projects and Technical Consultations Company (Petrojet)
Project : Egyptian Refining Company (ERC) Project, Mostorod, Cairo
Job title : QA/QC Mechanical Engineer (Piping)
Job Description : Evaluated quality work in the project in accordance with the codes and demands of the client, to check the heat treatment of the piping any inch and follow up with technician and hardness results at the site, and check integrity welding piping from construction team at the site and received to main contractor (GS Company) according the drawing.

Dates : From Aug. 2017 till Mar. 2018
Employer : ASEC for manufacturing & industrial projects (ARESCO)
Project : Egyptian Refining Company (ERC) Project, Mostorod, Cairo
Job title : Technical Office Engineer (Tankage)
Job Description : Modification and as-built drawing of thirty petroleum storage tanks at site condition in the project accordance with the construction team, and contact with main contractor (GS Company) to approved drawing according the site.

Dates : From Jul. 2017 till Aug. 2017
Employer : ASEC for manufacturing & industrial projects (ARESCO)

Project : Egyptian Refining Company (ERC) Project, Mostorod, Cairo
Job title : Construction Mechanical Engineer (Tanks (API 650))
Job Description : Accordance with the drawing of petroleum storage tank and follow up with our construction team and received to construction team (GS).

Dates : From Oct. 2014 till Oct. 2016
Employer : Armed Forces
Project : Military Service, Marsa Matrouh
Job title : Power Generation Repair & Operation Officer (First Lieutenant Engineer)
