

Holds a Bachelor of Petroleum Geophysics and has over 7 years experience working in QC and test package.

PERSONAL DATA

Nationality : Egyptian
Birth Date : 11/11/1993
Gender : Female
Residence : Nasr City, Cairo

EDUCATION

: Bachelor of Petroleum Geophysics, Helwan University, 2015
: Premaster in Applied Geophysics, Helwan University, 2016

LANGUAGES

Arabic : Native Language
English : Fluent

COMPUTER SKILLS

: Windows, MS Office (Word, Excel, Power Point), Internet

TRAINING COURSES AND CERTIFICATIONS

- : API 570 preparation course (recent).
- : CSWIP 3.1 preparation course (recent).
- : Certified ASNT NDE LEVEL II (May 2021).
- : Basics of installation of mechanical equipment.
- : Introduction to ISO 9001.
- : Seismic school, organized by AAPG HUSC & EAGE HUSC (Jan. 2017).
- : Ultimate seismic guide, organized by EAGE Ain Shams University (Aug. 2015).
- : Well logging course, held at Helwan University by AAPG/SEG (Oct. 2014).
- : Seismic course, held at Helwan University by AAPG/SEG (Mar. 2013).
- : Seismic course with Dr. Hatem Farouk, held at Helwan University by AAPG/SEG.
- : Familiar with ASNT LEVEL II and ASME & API codes.
- : Field exploration trips:
 - El Qusier & Eastern desert field exploration trip.

- Abo Roash field exploration trip.
 - Al Galala field exploration trip.
 - Ras Shukier offshore rigs (GUPCO & BP Site) field exploration trip.
 - Helwan observatory field exploration trip.
 - Wadi El-Rayan and Wadi El-Hetan El-Fayum Depressions field exploration trip.
- : Internships at:
- GUPCO (joint venture Company with British Petroleum) summer training at exploration dept. (Sep. 2013).
 - GUPCO summer training at exploration dept. (Jul. 2014).
 - PETROGULF MISR (joint venture Company with PICO Petroleum) summer training at exploration dept. (Aug. 2014).
 - WASCO (joint venture Company with Dana Gas) summer training at exploration dept. (Aug. 2014).
 - KHALDA (joint venture Company with Apache) summer training at exploration dept. (Sep. 2014).

CHRONOLOGICAL EXPERIENCE RECORD

Dates : From Mar. 2023 till now
Employer : EPROM
Project : Mostorod Refinery Station main contractor, ERC Project
Job title : Turnaround Coordinator
Job Description :

- Receive the work packages from subcontractors and review the compliance of it.
- Review quality and safety requirements for each job plan.
- Review the materials required for each job plan and coordinate with the material team to provide it.
- Report the teamwork progress in terms of work preparation and execution.

Dates : From Oct. 2022 till Dec. 2022
Employer : SIEMENS Energy (EGTA Siemens Energy Service Center at Ain Sokhna)
Job title : Trainee
Job Description :

- Workshop on women leadership on engineering disciplines.
- Workshop on using siemens design software (NX).
- Shadowing with a female leader on relevant field.

Dates : From Jan. 2021 till Aug. 2022
Employer : Technip
Project : MIDOR Refinery Expansion Project main contractor, MIDOR Refinery at Borg El-Arab
Job title : QC Piping Inspector (acting as Testpack Coordinator)
Job Description :

- Coordination with sub-contractors and area of responsibilities.
- Receive Test Packages for Line Checking, Document Reviews and Punch Listings.
- Review and Coordination of NDE and Outstanding Inspections.
- Final Release of Test Packages and witnessing pressure test.

- Following test packages after test activities up to reinstatement and final handover to commissioning.

Dates : From Nov. 2020 till Jan. 2021
Employer : Techip
Project : MIDOR Refinery Expansion Project main contractor, MADIA Yard Fabrication Workshops
Job title : QC Piping Inspector
Job Description :

- Checking the identicality of fabricated spools with isometric drawings.
- Make as-built drawings for modified isometric sketches.
- Verifying the distribution of the percentage of NDE coverage.
- Review and Coordination of NDE and Outstanding Inspection.
- Release the fabricated spools for painting.
- Witnessing spools pressure test.

Dates : From May 2020 till Oct. 2020
Employer : MAS Industrial Supplies
Job title : Sales Operation Engineer
Job Description :

- Searching for new client how could benefit from our products (pipeline – fittings – valves – flanges – casing – tubes – drilling pipes).
- Following with potential clients and prospects for new tenders.
- Negotiating new quotations, tenders, and contract.
- Looking for the suitable vendor to supply the desired material.
- Preparing technical tender envelope.

Dates : From Feb. 2018 till Aug. 2019
Employer : GS Engineering & Construction
Project : Mostorod Refinery Station subcontractor, ERC Project
Job title : QC Piping Coordinator
Job Description :

- Piping test package reviewing and releasing for pressure test.
- Walkdown for punching piping test packages.
- Following the reinstatement and B&C punches closing to get the packages ready for Mechanical Completion.
- Coordinate with company TPI for final Mechanical Completion certificate & handover to commissioning.

Dates : From Jan. 2017 till Feb. 2018
Employer : DAEAH Engineering & Construction
Project : Mostorod Refinery Station subcontractor, ERC Project
Job title : QC Piping Coordinator
Job Description :

- Draw as-built drawings after site verification when required.
- Coordinate flange tightening, painting touch up work with subcontractors.
- Encoding welding data & all joints information on JTP-JC to make visual testing reports.
- Piping test package reviewing and release for main contractor.

Dates : From Jan. 2016 till Dec. 2016
Employer : Petrographics Petroleum Services
Project : Kuwait Oil Company, Agiba & Khalda Oil Companies Projects
Job title : Geophysical Data Management & QC
Job Description :

- Well logging data digitizing using company software (Neura log).
- Digitizing team leading and QC all team member work.
- Applying client optimization process after QC.
- Submit the data on the optimized form and follow with the client for any further comments.

Technical Skills:

- Petrel 2013.
- Interactive Petrophysics (IP).
- Techlog 2011.
- Surfer (Maps creating).
- Grapher.
- Neura Log (Data Digitizing).
- GTP (Great Tools for Piping).
- UNICCS (Unified Construction to Commissioning System).
- Easyplant (Technip handover system).
