

Holds a B. Sc. in Mechanical Power Engineering and has about 35 years hands-on experience in high voltage electrical networks.

## **PERSONAL DATA**

Nationality : Egyptian  
Birth Date : 15/08/1944  
Gender : Male  
Marital Status : Married  
Residence : El-Rehab City, New Cairo

## **EDUCATION**

: B. Sc. in Mechanical Power Engineering, Helwan University, 1969

## **LANGUAGES**

Arabic : Native Language  
English : Good

## **COMPUTER SKILLS**

: Windows, MS Office, Internet

## **TRAINING COURSES AND CERTIFICATIONS**

- : Certified Consultant Engineer in Transmission of Electrical Energy, Engineers Syndicate (2005).
- : IT Academy, Canada (Egypt branch) (2004-2005):
  - Fundamentals of Information Technology Systems.
  - Introduction to Microsoft Windows, MS Word, Internet.
- : Training Program Courses at Leaders Preparation Center (1994-2003):
  - Leadership Skills.
  - Effective Management.
  - Goal Oriented Strategies.
  - Project Management Planning.
  - Project Management Execution & Control.
  - Team Motivation.
  - Negotiation Skills.
- : Nasser's Higher Military Academy (1991-1992):
  - Fellowship degree in the International Electrical Connection Strategies & its effect on National Security of Neighboring Countries.
  - Graduated with degree of excellence in the research paper.

- : Training Program Courses at Leaders Preparation Center (1979-1990):
  - Efficiency in Management.
  - Team Leading Training.
  - Team Motivation.

**Employer** : A-K Consultants  
**Job title** : CEO  
**Job Description** :
  - Managing and supervising activities conducted by A-K Consultants Office.
  - Widening the activities and customers profile to include public sector in addition to private sector electrical contracting business.
  - Suggested new products that increased earnings by 13 %.
  - Certified Consultant Engineer in Transmission of Electrical Energy.

- Dates** : From 1995 till 2004  
**Employer** : Egyptian Rural Electrification Authority  
**Job title** : General Manager (Power Machinery & Main Projects)  
**Job Description** :
  - Preparing technical specifications and analysis of all bids and tenders of main authority projects.
  - Reviewing and approving the technical designs of Rural Electrification Networks.
  - Reviewing and approving the technical designs of cities high, medium and low voltage Electrification Networks.
  - Also reviewing the approving the technical designs of electrical networks projects of Tourist Resorts, Housing Projects, Educational Institutes, Hospitals, Industrial Zones and Factories, Land Reclamation and Military Units.
  - Assigning contracts for supplying of civil, mechanical and electrical works of power transmission network lines of electrical energy (Overhead Arial & Terrestrial) in addition to transformer substations 66/33/22/11/0.4KV and supervising all their execution works.
  - Laboratory testing and inspection of electrical and mechanical equipment supplied by local as well as international production factories.
  - Reviewing and approving the financial balance statements of the above mentioned systems after approving their technical compliance according to international standards.

- Dates** : From 1986 till 1995  
**Employer** : Egyptian Rural Electrification Authority  
**Job title** : Executive Manager (High Voltage Electrical Network)  
**Job Description** :
  - Managing the assigned projects planning, execution and control.
  - Supervising the technical implementation of the assigned projects.

- Dates** : From 1981 till 1986  
**Employer** : Egyptian Rural Electrification Authority

**Job title** : Head of Department (High Voltage Electrical Network)  
**Job Description** :

- Technical team leading and supervising projects execution plans.
- Received Authority's highest effort award for 4 successive years.

**Dates** : From 1970 till 1981  
**Employer** : Egyptian Rural Electrification Authority  
**Job title** : Field Engineer (High Voltage Electrical Network)  
**Job Description** :

- Executing Authority's projects in many areas of Egypt (Aswan, Qena, Sohag, Assiut, Beni Suef, Fayoum, Giza, Qalubiya, Menoufia, Gharbiya, Behira, Sharkiya, Suez, Ismailia, Port Said, Sinai).
