

A highly skilled and confident Welder with a strong practical background in welding and fabricating a wide range of materials, including Stainless Steel, Low Alloy, ITCS, Alloy 20, Monel, Inconel, and other metal components. Experienced in the use, design, repair, and maintenance of various welding machines and tools. Qualified in welding various diameters of Stainless Steel (SS), Monel, and Carbon Steel (CS).

PERSONAL DATA

Nationality : Egyptian
Birth Date : 09/01/1993
Gender : Male
Residence : Dakhalia

EDUCATION

: Industrial Diploma

LANGUAGES

Arabic : Native Language
English : Good

CHRONOLOGICAL EXPERIENCE RECORD

Date : 2023
Employer : Professional Engineering International Company - KSA
Job title : GTAW / SMAW Welder

Date : From Jan. 2022 till Dec. 2022
Employer : Zohr Onshore Project
Job title : GTAW / SMAW Welder

Date : From Apr. 2020 till Feb. 2021
Employer : Total French Company
Project : Mostorod
Job title : GTAW / SMAW Welder

Date : From Jun. 2019 till Sep. 2019
Employer : Hassan Allam Company
Project : Moco Site

Job title : GTAW / SMAW Welder

Date : From Apr. 2018 till May 2019

Employer : ERC Refinery Company

Project : Mostorod

Job title : GTAW / SMAW Welder

Date : From Mar. 2017 till Mar. 2018

Employer : AC Boilers

Project : Al-Shabab Power Station Phase II 1500MW

Job title : GTAW / SMAW Welder

Date : From Mar. 2013 till Jun. 2015

Project : West Cairo Power Station

Job title : GTAW / SMAW Welder

Field of experience :

- Constructing and repairing of all various metal parts by welding them together.
- Occasionally welding beams in structures.
- Welding components Inflat, vertical and overhead positions.
- Accurately examining and measuring work pieces for defeats.
- Cutting large metal objects into places to be discarded.
- Measuring work pieces with straightedges to ensure correct specifications.
- Preheating pipes and work pieces, using hand torch and heating furnace.
- Notifying supervisor of any defective or faulty equipment or material.
- Constantly monitoring the flitting, burning, and welding processes.
- Removing rough spots or loose metal from work pieces.
- Welding 8c fabricating of stainless Steel, Low alloy, ITCS, Alloy 20, Monel Inconel and various other metal components.
- Specialist using welding machines and tools, including their designs, uses, repair and maintenance.
