

Holds a B. Sc. in Civil Engineering (Structural division) and has about 6 years experience, including 4 years working as a Project Planner.

## **PERSONAL DATA**

Nationality : Egyptian  
Birth Date : 25/01/1987  
Gender : Male  
Marital Status : Married  
Residence : New Maadi, Cairo

## **EDUCATION**

: B. Sc. in Civil Engineering (Structural division), 2011  
: Primary Master, Cairo University (High Rise Steel Building), 2012

## **LANGUAGES**

Arabic : Native Language  
English : Very Good  
Chinese : Fair

## **COMPUTER SKILL**

: Windows, MS Office (Word, Excel, Power Point), Internet  
: CSI PROGRAM  
: AutoCAD (2007, 2009, 2010 & 2015) (2D & 3D)  
: Prokon analysis  
: Primavera Oracle Management  
: Sap 2000 Design

## **TRAINING COURSES AND CERTIFICATIONS**

: CCP Course (Jan. 2017).  
: PMI Course, preparing exam (Jul. 2016).  
: PMI Course, 5<sup>th</sup> edition (Sep. 2013).  
: Summer training at Belayim Petroleum Company (petro BEL): training in the petroleum structural (Aug. 2007).  
: Summer training at Arab Construction: Learned the arts of architecture and structural finishes (Jul. 2008).

- : Summer training at Dar El-Handasah (Jul. 2009):
  - Learned more about some of structural design and drafting programs.
  - Training in many projects like "University of King Abd El Aziz" according to ACI.
- : Summer training at Dar El-Handasah (Jul. 2010): Had an introductory overviews on design procedures of real project like: "Expansions in the Grand of holy Mosque in Mecca according to ACI".
- : Summer training at Adnan Saffarini – Dubai, UAE (Aug. 2010): Training in high tours building according to BS.
- : Summer training at Shuttering (Feb. 2012).

## CHRONOLOGICAL EXPERIENCE RECORD

- Dates** : From Sep. 2016 till now
- Employer** : MOBICA
- Job title** : Planner Engineer
- Job Description** :
- Make different scheduling and Base lines.
  - Coordinate the scope of Different Works.
  - Review Contracts and assign scope for contractors.
  - Working in Cost and planning division.
  - Organize the different resources and KPI for the project.
- 
- Dates** : From May 2013 till Sep. 2016
- Employer** : Axis Company
- Job Description** :
- Working as Site Engineer and Coordinator for the projects.
  - Building many Residential Buildings.
  - Supervisor for many sites submit different quotations and inquires.
- 
- Dates** : From Oct. 2012 till Mar. 2013
- Employer** : El-Khayyat Red Bricks Factory
- Project** : Al-Kharj Project, KSA (site area: 106222m<sup>2</sup>)
- Job Description** :
- Contact with civil, mechanical works.
  - Working as a team with LINGI and HÄNDLE companies.
  - Attended more than 70 meetings.
  - Manager for most of quotations additional to supervises for civil steel structure work (at the moment I try to change the career to Project Engineer by CAPM and PMP courses).
- 
- Dates** : From Aug. 2011 till Aug. 2012
- Employer** : RTC Dr. Ragab Megahed Office
- Job Description** : Working as Site Engineer, Technical Office if it required; and Repair for old building / Steel structure work.
- 
- Field of experience** :
- Civil Engineer with about 6 years of vast experience in different civil works like Foundation and excavation works, large span concrete casting and Industrial Building with great coordinate related to electromechanical and civil works. Structural design of building, Workshop D.W and Site supervision construction works Control center,

etc. Experience in site supervision. Knowledge of construction methods and construction sequences in civil structural constructions above or below the ground. Sound knowledge of engineering software. Well familiar with ACI and Euro Codes. Also try to verse with FIDIC Conditions of Contracts.

- Key Responsibilities Handled:
