LANGUAGES

Arabic : Native Language
English : Good
German : Basics

COMPUTER SKILLS

- : Windows, MS Office, Internet
- : AutoCAD
- : SAP 2000
- : Primavera

TRAINING COURSES AND CERTIFICATIONS

- : Training at Arab Contractors: General Finishing and plastering works: During several summer vacations I carried out training observing all steps carried out in plastering works. I observed also the process of remaking the plastering works.

Graduation Projects:

- Project 1: Plastering works: I was asked to prepare a report on the steps of plastering and the materials used.
- Project 2: Repair Design in Construction field: I was given a villa with 3 floors including the basement and ground floors and asked to construct

additional 3 floors. I then added the additional loads on the existed loads assuming the loads of each new floor is the same as the first floor which is given to find that some foundations, columns and beams required repair to be able to carry the additional loads.

Skills:

- Knowledge of Egyptian Standard codes.
- Design and analysis by AutoCAD Program.
- Writing reports, memorandums, faxes and minutes of meetings.
